**Innovation in rail transport.**

Recently, a report about the history of scientific and technological advances, and the collaboration processes that are rewriting innovation, has been published. This report provides insights into the evolution of rail transport technologies and the role of collaboration in driving advancements.

**Partnership award for innovation.**

CARNET, a public-private partnership, has been awarded the Partnership for Innovation award by the European Commission. This recognition highlights the importance of collaboration between academia and industry in driving innovation.

**This month on the CIT UPC blog...**

- **New director of CIEFMA UPC.**
  - Dr. Luis Llanes Pitarch takes over as the new director of the Centre for Innovation and Research in Electronics and Manufacturing (ZDM).

- **Reliability Centre (CIEFMA UPC).**
  - An open session was held as part of the Health and Mobility interclusters symposium. The session was organized by the CIT UPC and focused on 'Unlocking Health Benefits from Railway Mobility'.

- **Unveiling of the CAR-Guard system.**
  - CIT UPC and the University to Industry Technology Transfer Company (IThinkUPC) have unveiled the CAR-Guard system, which is designed to improve safety in the rail industry. The system is currently being tested at the Creu Alta, Sabadell Nord and Ca n'Oriac - Parc del Nord stations.

**Information of interest.**

- **Do you need an IT tutor?**
  - Researchers at CIT UPC are looking for IT tutors to support students and researchers in the University to Industry Technology Transfer Company (IThinkUPC) projects. The selection process will be open soon. Please contact info.cit@upc.edu for more information.

- **Calendar.**
  - 28 February: Loire Gestamp and Gestamp ATH discover the European project ISizeYou.
  - 11-12 April: Innovation in rail transport.
  - 26-29 March: Newsletter CIT UPC nº66
